

STATE SENATOR

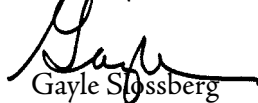

Dear Neighbor:

It is important that all of Connecticut stand up for the veterans who have stood up and put their lives on the line for us and our American values.

Recently, I was honored to be appointed as the first Senate chair of the newly formed Select Committee on Veterans' Affairs. I am excited at the prospect of helping Connecticut's servicemen and women and veterans by addressing issues that concern them. We need to make sure we are taking care of the people who serve, and their families, so that when our soldiers are in battle, they know their families are secure. We need to keep our promise to those who have already served.

I hope that you can attend an upcoming informational forum on issues affecting veterans where you can learn more about benefits and rights of veterans. More information can be found on the reverse of this card.

Sincerely,

Gayle Slossberg
State Senator, 14th District
